How to Access Participant Centre Guide

What is the Participant Centre?

The Participant Center is the online portal where you can check your fundraising progress, send email solicitations and update your Personal Fundraising Web Page.

On your Personal Fundraising Web Page, you can share your personal story, add a photo or a link to a YouTube video, and even add a blog. Then, you can share your webpage address with family and friends asking them to join you at the event or support your fundraising effort through a generous gift. For our team captains, the Participant Centre is a great place to send encouragement to your team members by emailing them reminder emails and best practices as the event date draws closer.
